

Pension and Benefits

We are leaders in pension and employee benefits law.

Our Pension and Benefits group advises unions, employees, retirees, and trustee boards and other administrators of multi-employer, private and public sector plans on the full range of pension and benefit matters, including plan transactions, administration, investments, funding challenges, new benefit designs, plan wind-ups, and bankruptcy and restructuring.

We are also advocates. Our lawyers appear as counsel before regulatory tribunals, boards of arbitration, and all levels of court, including courts of appeal and the Supreme Court of Canada. We have litigated most of the leading cases in pension and benefits law in the country.

Koskie Minsky's Pension and Benefits Law practice is top-ranked nationally according to *The Canadian Legal Lexpert Directory*, *Best Lawyers in Canada* and *Chambers Canada*.
