Counsel to the Trustor advised that the motion was proceeded in absentia and satisfied that the record supports the requested relief and that it is appropriate to grant the requested relief which provides for the Third Interim

Distribution. From the HWT.

It is understood, having heard the  
views of counsel for the Committee  
that my distribution received under  
this Order by a Income Beneficiary  
from the HWT corpus will reduce  
the amount of such Income Beneficiary's  
claim against the estate of the  
Applicants. Further directions  
may be sought in the context  
of the cooperative claim process.  
The order is granted and  
an order has been signed in  
the form presented.
