THE CERTIFICATION AND LEAVE ORDER

On February 19, 2014, Justice Perell of the Ontario Superior Court of Justice certified the action *Trustees of the Millwright Regional Council of Ontario Pension Trust Fund v. Celestica Inc. et al*, Court File No. 11-CV-424069CP as a class proceeding, and appointed the Trustees of the Millwright Regional Council of Ontario Pension Trust Fund (the “Trustees”) as representative plaintiff. The certification order means that the this action may proceed to trial as a class action involving claims for alleged misrepresentations and failures to disclose in Celestica Inc.’s disclosure documents and public statements. Certification is a preliminary procedural matter. The merits of the claims in the action, or the allegations of fact on which the claims are based, have not been finally determined by the courts. The defendants deny that the claims in the action have merit.

Justice Perell of the Ontario Superior Court of Justice also granted leave to the plaintiffs in this action to commence an action under the secondary market liability provisions of the Ontario *Securities Act*.

The only claims being pursued in the class action are claims for misrepresentation and failures to disclose under the secondary market liability provisions of the Ontario *Securities Act*. These claims are subject to damages caps, which limit the amount of damages that can be recovered from the defendants. If you wish to pursue other claims against the defendants relating to the matters at issue in the class action, you should immediately seek independent legal advice. See “Additional Information” for how to access the claims and the certification orders setting out the matters at issue in the class action.
