

Allied Systems Holding Inc.

We were retained by the trustees of the Canadian Auto Carriers and Logistics Pension Plan after the company filed for bankruptcy in the United States. We successfully negotiated protections for the pension plan members to ensure that no pension contributions would be missed during the period of bankruptcy protection, that the collective agreements with Allied would remain in place with the purchaser, and that the pension plan would continue after the sale. [Michael Mazzuca](#) led the Koskie Minsky team with assistance from [James Harnum](#).
