

Danier Leather

We have been appointed Representative Counsel to all terminated employees of Danier Leather Inc. Our mandate includes representing the interests of Danier's former employees in all aspects of the bankruptcy proceeding. As a result of the bankruptcy filing, all employees of Danier were terminated without being paid their statutory, contractual and common law entitlements. We are preparing and filing claims on behalf of all terminated employees. [Andrew Hatnay](#) and [James Harnum](#) lead the Koskie Minsky team.
