

Irwin Toy

We were appointed Representative Counsel to the former employees of Irwin Toy Ltd. who were terminated en masse without being paid termination and severance pay immediately after the company obtained CCAA protection. We prepared and advanced claims on behalf of the employees and obtained a significant recovery. We also brought a class action lawsuit against the liquidator of Irwin Toy for unpaid bonuses owing to the employees. We obtained full recovery of the bonuses. [Andrew Hatnay](#) led the Koskie Minsky team.
