

## SAAN Stores

We were appointed Representative Counsel to the former employees of SAAN Stores in the complicated and protracted insolvency proceedings of the company. We prepared and advanced claims for unpaid wages and termination and severance pay. We brought a motion on behalf of the former employees arguing that they had a priority claim under sections 81.3 and/or 81.4 of the BIA. The court held that the SAAN employees were entitled to a priority payment for amounts owing to them for unpaid wages pursuant to section 81.3 and 81.4 of the BIA.
