

**Nortel Networks Limited Managerial and Non-Negotiated Pension Plan
MEMBER MEETINGS AND WEBINARS**

Member meetings and webinars will be held to provide Members with information about the options they have regarding the settlement of their pension entitlement.

In choosing which meeting to attend, please note that benefits earned are governed by the legislation in the province where the member was employed – if you were employed in more than one province, this means different legislation applies to different portions of the benefit – however, the law of the province in which you terminated employment determines the options you have on wind up.

Note: Due to limited seating, the meetings are for Nortel Managerial and Non-Negotiated Plan members and family only. Meetings are not open to the media or to financial planners.
