HISTORY OF THE ACTION

A number of overlapping class actions were commenced across Canada on behalf of investors of Valeant's common shares and notes. A list of these actions is contained in **Appendix "A"**.

On August 29, 2017, the Honourable Justice Chantal Chatelain of the Superior Court of Québec authorized the Catucci Action to proceed in the District of Montreal as a class action and pursuant to applicable securities legislation. The Court appointed the class action plaintiffs, Mr. Celso Catucci and Ms. Nicole Aubin, as representative plaintiffs for the sub-classes, defined as follows:

- (i) Primary Market Sub-Class: All persons and entities, other than Excluded Persons, wherever they may reside or may be domiciled, who, during the period between February 28, 2013 to October 26, 2015, acquired Valeant's Securities in an Offering, and held some or all of such Securities at any point in time between October 19, 2015 and October 26, 2015, excluding any claims in respect of Valeant's Securities acquired in the United States (but not excluding any claims in respect of Valeant's 4.50% Senior Notes due 2023 offered in March 2015); and
- (ii) Secondary Market Sub-Class: All persons and entities, other than Excluded Persons, wherever they may reside or may be domiciled who, during the period between February 28, 2013 to October 26, 2015, acquired Valeant's Securities in the secondary market and held some or all of such Securities at any point in time between October 19, 2015 and October 26, 2015, excluding any claims in respect of Valeant's Securities acquired in the United States.

(together, the "**Original Class**")

Excluded from the Original Class are the defendants, members of the immediate families of the individual defendants, and the directors, officers, subsidiaries, and affiliates of Valeant and its subsidiaries (the "**Excluded Persons**") and any person who validly opted out of the Catucci Action before the opt-out period concluded on June 19, 2018.

On November 12, 2019, the Honourable Justice Peter Kalichman of the Superior Court of Québec (the "**Court**") approved the settlement of the Catucci Action as against defendant PricewaterhouseCoopers LLP. The Court authorized the following supplementary class ("**Supplementary Class**"):

Supplementary Class: All persons and entities, wherever they may reside or may be domiciled who, during the periods of February 27, 2012 to February 27, 2013 and October 27, 2015 to November 12, 2015, acquired Valeant's Securities in the secondary market, excluding (a) any claims in respect of Valeant's Securities acquired in the United States; and (b) Excluded Persons.

Excluded from the Supplementary Class are any persons who validly opted out of the Catucci Action before the opt-out period for the Supplementary Class concluded on November 14, 2019.

In concert with the approval of the Settlement with PwC, the Court also approved a Plan of Allocation with for the distribution of the proceeds of the PwC Settlement. A copy of the PwC Plan of Allocation may be found [here](#).

Following the PwC Settlement, each of the actions listed in Appendix "A" (other than the Catucci Action) were discontinued against the remaining defendants.

THE PROPOSED SETTLEMENT

The plaintiffs in the Catucci Action have reached a settlement with Valeant on behalf all of the remaining defendants (the "**Settlement Agreement**") which is subject to approval by the Court. The Settlement Agreement provides, among other things, for payment by Valeant of CAD\$94 million (the "**Settlement Fund**") for the benefit of members of: 1) the Original Class and 2) the Supplementary Class (together, the "**Settlement Class**"):

- (i) Primary Market Sub-Class: All persons and entities, wherever they may reside or may be domiciled, who, during the period February 28, 2013 to November 12, 2015, acquired Valeant's Securities in an Offering, and held some or all of such Securities at any point in time between October 19, 2015 and November 12, 2015, excluding any claims in respect of Valeant's Securities acquired in the United States (but not excluding any claims in respect of Valeant's 4.5% Senior Notes due 2023 offered in March 2015); and,
- (ii) Secondary Market Sub-Class: All persons and entities, wherever they may reside or may be domiciled who, during the period February 27, 2012 to November 12, 2015, acquired Valeant's Securities in the secondary market and held some or all such Securities at any point in time between October 19, 2015 and November 12, 2015, excluding any claims in respect of Valeant's Securities acquired in the United States.

The Settlement Agreement also provides for the payment of a further CAD\$3 million to fund the disbursements associated with the litigation and the distribution of the relevant notices and the administration of the settlement. You are a member of the Settlement Class if you meet the criteria described above and have not previously opted out of the Catucci Action.

To become effective, the Settlement Agreement must be approved by the Court.

THE HEARING FOR SETTLEMENT APPROVAL

There will be a hearing before the Superior Court of Québec (the "**Approval Hearing**") at which Class Counsel will seek the Court's approval of the Settlement Agreement and Class Counsel fees of thirty percent (30%) of the Settlement Fund and Administration Expenses and Litigation Disbursement Amount, plus tax, repayment of disbursements to Class Counsel, levies payable to the Fonds d'aide aux actions collectives, and a Plan of Allocation to distribute the Settlement Fund to the Settlement Class.
