BASIC INFORMATION

1. Why was this notice issued?
This notice was issued to advise Settlement Class Members that proposed settlements have been reached with nine groups of Defendants. This notice explains the settlements and your rights in respect of the settlements.
2. What is a class action?
In a class action, one or more people called “representative plaintiffs” sue on behalf of people who have similar claims. The group of people with similar claims are called the “class” or “class members”. The court resolves the issues for all class members, except those who removed themselves from the class.
3. What is this class action about?
In this class action, the Plaintiffs allege that the Defendants conspired with each other to fix prices in the SSA Bond market from at least as early as 2005 and continuing through 2015. The class action was commenced in Federal Court and is known as <i>Mancinelli v. Bank of America Corporation et al</i> , Court File No. T-1871-17. The Defendants do not admit any wrongdoing or liability and disagree with the allegations in the lawsuit. If approved, the settlements will resolve the litigation in its entirety.
4. Who are the parties in the action?
The representative plaintiffs are Joseph S. Mancinelli, Carmen Principato, Douglas Serroul, Luigi Carrozzi, Riccardo Persi, Brandon MacKinnon, and Jack Oliveira acting in their capacity as the Trustees of the LiUNA Pension Fund of Central and Eastern Canada (formerly named the Labourers’ Pension Fund of Central and Eastern Canada). The following entities were named as Defendants: <ul style="list-style-type: none"> • Bank of America Corporation, Bank of America, N.A., Bank of America Canada, Bank of America, National Association, Bank of America Merrill Lynch International Limited, Merrill Lynch International, Merrill Lynch, Pierce, Fenner & Smith Inc., Merrill Lynch Canada Inc, Merrill Lynch International Services Limited, Merrill Lynch Financial Assets Inc, Merrill Lynch Benefits Ltd. • HSBC Holdings PLC, HSBC Bank USA, N.A, HSBC Securities (USA) Inc, HSBC Bank PLC, HSBC North America Holdings Inc, HSBC Bank Canada, HSBC USA, Inc. • Deutsche Bank AG, Deutsche Bank Securities Inc, Deutsche Bank Securities Limited • Toronto-Dominion Bank Group, TD Bank, N.A, TD Securities Limited, TD Group US Holdings, LLC, TD Bank USA, N.A.

As discussed below, previous settlements were reached with the Bank of America and HSBC Defendants. Those settlements were previously approved by the Court. This notice relates to settlements reached with the other Defendants.

5. What is the status of the action?

If approved, the proposed settlements will resolve the litigation entirely.

If the case had not settled (or if the settlements are not approved), the Plaintiffs would have to prove their claims and the claims of the other class members against the remaining Defendants at a trial. There is no guarantee that the Plaintiffs would win any money or benefits for the class at trial. The Defendants deny that they participated in any wrongdoing or have any liability and disagree with the allegations in the lawsuit.

Deutsche Bank and Credit Suisse also agreed to provide cooperation to the Plaintiffs. If the action had not been resolved against all Defendants (or if the settlements are not approved), this cooperation would have assisted the Plaintiffs in the prosecution of the action.

The action has been certified against the Settling Defendants for the purpose of implementing the settlements.

The settlements must be approved by the Federal Court. The settlements are compromises of disputed claims. If approved, the settlements will settle, extinguish, and bar all claims relating in any way to or arising out of the class action against the Settling Defendants and their related entities. The Settling Defendants do not admit any wrongdoing or liability and disagree with the allegations in the lawsuit.

7. Who is affected by the settlements?

As explained above, the settlements apply to persons in Canada who, between January 1, 2005 and December 31, 2015, entered either directly or indirectly through an intermediary, and/or purchased or otherwise participated in an investment or equity fund, mutual fund, hedge fund, pension fund or any other investment vehicle that entered into an SSA Bond Transaction. Excluded from the Class are the Defendants, their parent companies, subsidiaries, and affiliates (the “**Class**” or “**Class Members**”).

“**SSA Bond Transaction**” means any purchase, sale, trade, assignment, novation, unwind, termination, or other exercise of rights or options with respect to any SSA Bond.

“**SSA Bond**” means any and all supranational, sovereign, sub-sovereign, governmental, quasi-governmental, and agency bonds or debt instruments regardless of the structure, currency, or credit quality.

8. Have there been other settlements?

Previous settlements totalling \$2,073,529.41 were reached with the Bank of America and HSBC Defendants. Those settlement funds, less court-approved fees and expenses, are being held in an interest-bearing account for the benefit of Settlement Class Members.

WHAT HAPPENS TO THE MONEY PAID UNDER THE SETTLEMENTS?

At the settlement approval hearings, the Federal Court will be asked to approve a method of distributing the settlement funds achieved in this litigation (the “**Administration Protocol**”). A summary of the proposed Administration Protocol is below. To view a full copy of the proposed Administration Protocol, visit www.siskinds.com/ssa-bonds.

9. Amount Available for Distribution

Including prior settlements, the settlements achieved in this litigation total approximately CDN\$6.52 million. The aggregate settlement funds, plus any interest, and less court-approved legal fees, disbursements, administration expenses and applicable taxes are available for compensation to eligible Settlement Class Members (“**Net Settlement Funds**”).

10. Persons Eligible to Claim

Only Settlement Class Members with total SSA Bond Transactions of CDN\$10,000,000 or greater are eligible for compensation.

“SSA Bond Transaction” means any purchase, sale, trade, assignment, novation, unwind, termination, or other exercise of rights or options with respect to any Eligible SSA Bond in the secondary SSA bond market.

“Eligible SSA Bond” means an SSA Bond bearing an International Securities Identification Number (“ISIN”) or a Committee on Uniform Securities Identification Procedures (“CUSIP”) number included on a list to be established and maintained by the Claims Administrator and subject to the approval of Class Counsel. The Claims Administrator shall, in its sole discretion, be entitled to add to the list of Eligible SSA Bonds if, during the claims process or following the claims process, it is satisfied there is sufficient evidence that an SSA Bond was excluded from the list.

11. Distribution of the Net Settlement Funds

The Claims Administrator will assign points to each claim based on the total value of SSA Bond Transactions claimed by a Settlement Class Member, as follows:

Tier	Total SSA Bond Transactions	Points
A	CAD\$10,000,000 – \$99,999,999	1
B	CAD\$100,000,000 – \$999,999,999	10
C	CAD\$1,000,000,000 or greater	20

Points are not cumulative, and the Claims Administrator shall assign each valid claim to only one of the compensation tiers above.

Class Members need only submit proof of such SSA Bond Transactions that together constitute the minimum threshold for a given compensation tier. For example, a claimant with total SSA Bond Transactions of \$10,000,000 and a claimant with total SSA Bond Transactions of \$99,999,999 would both be assigned 1 point.

The Net Settlement Funds will be distributed pro-rata (proportionally) based on the points assigned to each valid claim.
